

Subject: Part number 24290 will no longer be sold

Date: 11/08/21

Region: Global

Models Affected: PFE 500, 561 and PFG 600 – Computron 8000 and CFA Controls

Summary

Effective 11/01/21, I/O board part number 24290 will no longer be sold separately from the control. The 24290 I/O board was not published on www.hennypennyhelp.com but was available for order. This change creates greater consistency with parts offerings for other control assemblies.
