

Subject: Pressure Solenoid Valve Parts Consolidation

Date: 04/08/2021

Region: Global

Models Affected: PFE 500, 561, 580, 590, 591, 592, and PFG 600, 690, 691, 692

Summary

As part of continuous improvement, Henny Penny is making most individual 1/2-inch pressure solenoid valve replacement parts **obsolete**. For pressure solenoid valve repair, service providers may order the following items:

- Valve repair kit
- Voltage/frequency appropriate solenoid coils
- Complete 1/2-inch pressure solenoid valves
- Replacement solenoid housing retaining clip will still be offered but in multiples of ten only.

By offering a repair kit and complete valves for service, Henny Penny will have consistency across all products requiring solenoid valves such as:

- Pressure fryers: 4-Head, 8-Head, and Velocity
- Open fryers: LOV and Evolution Elite using oil return solenoid valves

Important:

- Henny Penny will continue to sell obsolete parts until inventory is depleted, after which they will no longer be available for order.
- Once inventory of a part is exhausted, service providers will be directed to purchase a repair kit or complete pressure solenoid valve assembly.
- Obsolete parts in distributor inventory will be covered by the standard 90-day parts replacement warranty.
- Distributor stocked parts are non-returnable.

Obsolete Part Numbers

These parts will no longer be available once inventory is depleted.

Item No.	Part No.	Description	Figure	
4	17109	Spring retainer		
5	17110	Core spring		
6	17111	Disc core assembly		
7	17112	Bonnet gasket		
8	17114	PTFE seat		
9	17115	Disc spring guide		
10	17116	Disc spring		
11	17117	Spring retainer ring		
12	17122	O-ring seal seat		
13	17102	Valve name plate - Previously Discontinued		
14	17103	Coil housing cover		
15	17104	Coil washer		
16	17105	Coil yoke		
18	17123	Coil housing		
19	17108	Solenoid bonnet		
20	17113	Solenoid valve body		
21	17118	Pipe adapter		
				22

Available Part Numbers

Use these items as serviceable replacement parts.

Item No.	Part No.	Description	Figure
1	17121	Solenoid valve, 120 VAC, 60 Hz	
1	18721	Solenoid valve, 208/240 VAC 60 Hz	
1	18724	Solenoid valve, 208/240 VAC 50 Hz	
1	29515	Solenoid valve, 24 VAC, 60 Hz	
1	29698	Solenoid valve, 24 VAC, 50 Hz	
1	54945	Superseded by P/N 18724 (see above)	
1	54971	Superseded by P/N 29698 (see above)	
2	17120	Solenoid valve repair kit	
3	17101	Retaining clip (multiples of 10)	
17	17106	Coil, 120 VAC, 60 Hz	
17	18706	Coil, 208/240 VAC, 60 Hz	
17	18726	Coil, 208/240 VAC, 50 Hz	
17	29547	Coil, 24 VAC, 60 Hz	
17	29575	Coil, 24 VAC, 50 Hz	

Warranty

Kits and parts include a 90-day parts warranty from the date of install.
