**Date:** 12/06/21

**Region:** Global

**Models Affected:** PFE500-561/PFG600 Pressure Fryers

**Reference:** Technical Bulletin, “PFE500-561/PFG600 Discontinued Electromechanical Control Parts” released 12/02/2020

## Summary

As stated in a previous bulletin, Henny Penny is discontinuing individual PFE500-561/PFG600 electromechanical control replacement parts. We have identified **additional** electromechanical replacement parts that will be discontinued. All part numbers with remaining stock will be available on a first come, first serve basis. All sales will be final 06/30/2022.

- Electromechanical Control Panel Assemblies will now be replaced by C1000 Retrofit Kits.
- Individual components of main timers will be replaced with complete main timers (i.e. 16602, 18301).
- Distributor stocked parts are non-returnable for credit.
- Distributor stocked parts will be covered by the standard 90-day parts warranty.
